Chairman's letter

Dear shareholder,

I look forward to welcoming you at the IGas Energy plc (the "**Company**") Annual General Meeting (the "**AGM**"), on 14 May 2019. The AGM will start at 10:30 a.m.

The business of the AGM comprises certain resolutions (the "**Resolutions**") that we regularly bring to shareholders.

We ask for authority each year from you to allow the board of directors (the "**Board**" or the "**Directors**") to allot shares in the Company in certain circumstances, sometimes without first offering those shares to existing shareholders. We wish to continue to comply with the spirit of institutional guidelines as an AIM company, and maintain maximum flexibility as explained in the notes to the relevant Resolutions. The Board is recommending that shareholders support all seven Resolutions before the AGM by returning your proxy vote at www.investorcentre.co.uk/eproxy or, if you have received a hard copy proxy form, by returning your proxy instruction by post as indicated in the proxy form.

We regularly review ways to improve communication with you and make it more efficient. For some years now we have been using web communication for the majority of shareholders to invite you to view our corporate materials online.

With this notice, if you have not elected to receive shareholder communications electronically, you will receive a proxy card as an ordinary shareholder. However, online voting is quicker and more secure than paper voting, and saves the Company time and resources in processing the votes. If you have not already done so, I urge you to visit our Registrar's (Computershare Investor Services plc) investor relations web pages at www.investorcentre.co.uk/ecomms and provide an email address for future communications.

Your votes do matter. Information about how to vote and attend the AGM is given on pages 10 to 13 of this notice. If you cannot attend the AGM, please vote your shares by appointing a proxy.

I look forward to seeing you at the AGM.

Mike McTighe

Notes to Resolution 2

Directors' remuneration report

The Directors' remuneration report, which can be found on pages 44 to 48 of the Annual Report gives details of the Directors' remuneration for the year ended 31 December 2018. The Company's auditors, PricewaterhouseCoopers, have audited those parts of the Directors' remuneration report which are required to be audited and their report may be found in the Annual Report. The Annual Report has been approved by the Board and signed on its behalf by the Remuneration Committee chair.

The vote on the Directors' remuneration report is advisory in nature and therefore not binding on the Company.

Notes to Resolutions 3 and 4

Re-election of Directors

Directors holding office at the start of the business of the day of this notice of AGM and who also held office at the time of both of the two immediately preceding AGMs and did not retire at such AGM and wish to continue to be Directors, are required by the Articles to retire and offer themselves for re-election at each AGM. If the number of Directors due to retire at any AGM, when added to the number of other Directors (if any) who wish to retire and not to offer themselves for re-appointment at such AGM, is less than that number which is one third of the total number of the Directors (or if such total number is not divisible by three that number which is nearest to but does not exceed one third), then such number of additional Directors shall retire at such AGM as will increase the total number to the amount required by the Articles.

In accordance with the requirements of the Articles, Mr Stephen Bowler and Mr Cuth McDowell retire and offer themselves for re-election as Directors.

The Nomination Committee of the Company identifies, evaluates and recommends to the board, candidates as Directors and keeps the mix of skills, experience and knowledge of the board under regular review (in consultation with the board) and seeks to ensure an orderly succession of Directors. The outside directorships and broader commitments of the Non-executive Directors (including time commitments) are also monitored by the Nomination Committee.

Resolution 3 – reappointment of Stephen Bowler as a Director

Mr Bowler is liable to retire by rotation at the AGM under the Articles, and offers himself for reappointment. Having carefully considered his reappointment, the Nomination Committee considers that his performance remains effective, particularly having regard to his responsibilities as Chief Executive Officer.

Mr Bowler became Chief Executive Officer of the Company in May 2015 having joined the Company as Chief Financial Officer in 2011. Mr Bowler qualified as a chartered accountant with Touche Ross, now Deloitte. In 1999, Mr Bowler joined ABN Amro Hoare Govett, now part of Jefferies, where he acted as adviser and broker to a wide range of UK listed companies in the oil and gas sector. Mr Bowler advised Star Energy on its IPO in 2004. The Star Energy producing assets were acquired by the Company in 2011, transforming the Company at that time to become one of the leading UK onshore oil and gas companies.

Resolution 4 – reappointment of Cuth McDowell as a Director

Mr McDowell is liable to retire by rotation at the AGM under the Articles, and offers himself for reappointment. Having carefully considered his reappointment, the Nomination Committee considers that his performance remains effective, particularly having regard to his responsibilities as Non-executive Director.

Mr McDowell has 35 years of international experience in the oil and gas sector, having held a range of leadership positions in Exploration and Production. He began his career with BP, where he held various commercial and management roles over eight years. Mr McDowell then joined Clyde Petroleum plc, initially as Senior Economist, subsequently becoming Group Commercial Manager before Clyde was bought by Gulf Canada. In 1997, Mr McDowell joined Paladin Resources plc, where he served primarily as Finance Director. Paladin Resources plc raised approximately £120million in four separate primary offerings before it was sold to Talisman Energy Inc. for approximately £1.2billion in 2006. Mr McDowell is currently chairman at Quotall Ltd., an unlisted software development company.

Notes to Resolutions 6 and 7

Directors' authority to allot shares

General explanation

These Resolutions seek limited authority from shareholders for the Board to allot shares in the capital of the Company, and limited authority to allot shares in particular circumstances without first offering them to existing shareholders. They enable the Company to raise capital quickly and easily when needed, and permit it to allot shares as consideration in a transaction.

It has been the Company's approach to seek authority to allot shares at its AGM in order to allow as much prudent flexibility as possible in the interests of the Company and its shareholders as a whole.

Authority to allot – Resolution 6

The Investment Association share capital management guidelines (the "IA guidelines") confirm that an authority to allot up to two-thirds of the existing issued share capital continues to be regarded as routine.

The Directors are seeking authority to allot shares of up to a maximum nominal amount of £1,628. This is the 'Section 551 Amount' referred to in the Articles and is equal to 66.6% (i.e. two thirds) of the Company's issued Ordinary Shares. In accordance with the IA guidelines, one half of this Section 551 Amount, that is 33.3% (i.e. one third) of the Company's issued Ordinary Shares, (excluding treasury shares), can only be used if the relevant securities are equity securities and are offered in connection with a rights issue or other pre-emptive issues of equity shares which satisfies the conditions and may be subject to all or any of the exclusions specified in (B)(1) of Resolution 7.

For information, as at 8 April 2019, the Company held no treasury shares. The authority conferred pursuant to Resolution 6 will expire on the date of the AGM in 2020 or 15 months after the passing of Resolution 6 at the AGM, whichever is the earlier.

The Directors have no current intention of issuing shares other than in relation to the Company's employee share schemes.

Disapplication of pre-emption rights – Resolution 7

Section 561 of the 2006 Act contains pre-emption rights that require all equity shares which it is proposed to allot for cash to be offered to existing shareholders of Ordinary Shares in proportion to existing shareholdings, unless a special resolution is passed to disapply such rights. Such rights do not apply to an issue otherwise than for cash, such as an issue in consideration of an acquisition. Subject to the passing of Resolution 6 and as noted therein, the proposed Resolution provides for the dis-application of statutory pre-emption rights for allotments of equity securities for cash, but limits this authority to the allotment of equity securities up to an aggregate nominal value of £814 (representing approximately one third of the Company's issued Ordinary Shares), provided that all allotments must be in the form of rights issues, open offers, scrip dividend schemes or other pre-emptive issues of equity securities.

Further, the Directors believe that the statutory requirements are too restrictive and, it is proposed that, subject to the passing of Resolution 6, the Directors should be able to allot shares for cash otherwise than pursuant to rights issues, open offers or other pre-emptive issues etc. amounting to no more than an aggregate nominal amount of £244 representing approximately 10 per cent. of the Company's issued share capital.

The broadening of the proposed Resolution to include pre-emptive issues other than rights issues is a departure from the strict wording of the IA guidelines which is limited to rights issues, which the Directors regard as too restrictive, especially as AIM companies normally make open offers and not rights issues. The above departures in Resolutions 6 and 7 from the strict wording of the IA guidelines should not be taken to indicate that they are being disregarded, but rather that the proposed Resolutions are designed to provide greater flexibility for the Directors to determine the form of any future pre-emptive issues in the light of market conditions and practice, at the time such an issue may be proposed.

When is my voting entitlement fixed?

To attend, speak and vote at the AGM you must be a registered holder of shares at 6:00 p.m. on 10 May 2019. Your voting entitlement will depend on the number of shares you hold at that time.

I can't attend the AGM but want to vote – what can I do?

If you are a registered holder and cannot attend, you can appoint the chairman or any other person to attend, speak and vote on your behalf. This person is called your proxy. Your proxy does not have to be a shareholder.

You can instruct your proxy how to vote. Where no specific instruction is given, your proxy may vote at his or her discretion or refrain from voting, as he or she sees fit.

You can appoint more than one proxy in relation to different shares within your holding.

You can appoint a proxy and submit voting instructions:

- Via CREST (see note opposite).
- By casting your proxy online at www.investorcentre.co.uk/eproxy.
- If you have received a hard-copy proxy form, by completing and returning the paper proxy card if one has been sent to you. Please read the instructions carefully to ensure you have completed and signed the card correctly. Any alterations must be initialled.

You will also need to give the attendance card to your proxy to bring to the AGM, along with photographic proof of his/her identity.

Proxies not properly notified to the Registrar may be denied access to the AGM. Giving your attendance card to your proxy is not sufficient – they must also be appointed in advance using one of the above methods.

If you own shares jointly, any one shareholder may sign the proxy card. If more than one joint holder submits a card, the instruction given by the first listed on the shareholder register will prevail.

I hold shares on behalf of several others – can I vote part of the holding separately?

You can appoint more than one proxy using the paper proxy form or online at www.investorcentre.co.uk/eproxy provided it is in relation to different shares.

Corporate shareholders may either appoint one or more proxies, or alternatively appoint one or more corporate representatives in relation to different shares, using the paper proxy form or online at www.investorcentre.co.uk/eproxy or via CREST.

Multiple proxies and corporate representatives may all attend and speak at the AGM and may vote the shares that their respective appointments represent in different ways.

I am a CREST member – can I use the CREST system to vote?

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM and any adjournment by using the procedures described in the CREST manual (euroclear.com/crest). CREST personal members or other CREST-sponsored members and those CREST members who have appointed a voting service provider should refer to their CREST sponsor or voting service provider, who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST proxy instruction) must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST manual. All messages relating to the appointment of a proxy or an instruction to a previously appointed proxy must be transmitted so as to be received by Computershare (ID 3RA50) by **10:30 a.m. Friday 10 May 2019**. It is the responsibility of the CREST member concerned to take such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers, are referred, in particular, to those sections of the CREST manual concerning practical limitations of the CREST system and timings. The Company may treat a CREST proxy instruction as invalid in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

By when do I have to submit my vote?

Proxy appointments and voting instructions, including any amendments, must be received by the Registrar by **10:30 a.m. Friday 10 May 2019**.

If you miss this deadline and wish to submit a new vote or amend an existing vote, you can only do so by attending the AGM in person and voting.

I already voted but have changed my mind – can I change my vote?

You can submit a new instruction online at any time before the time and date above. If you wish to amend a paper instruction you must do so in writing and sign your new instruction.

The voting instruction received last will be the one that is followed. If a postal instruction and an online instruction are received on the same day, the online instruction will be followed.

I have a power of attorney from a shareholder – how can I vote?

You can vote using the paper proxy card only. You must ensure that the power of attorney and the proxy card have been deposited with the Registrar by **10:30 a.m. Friday 10 May 2019**.

If they appoint you as a proxy, the appointment must be notified to the Registrar by the appropriate deadline (see notes on these pages 10 to 11). If they appoint you as a corporate representative, they will need to write a letter to us setting out the details of the appointment and of your shareholding, and you will need to bring the letter with you to the AGM along with photographic proof of identity. **If you do not have such a letter, or the Registrar has not been notified of your appointment as a proxy, you will be denied entry to the AGM.**

Proxies, corporate representatives and employee share plan participants may not bring guests to the AGM.

We suggest that it is not appropriate to bring young children. There will be no crèche facilities at the AGM.

May I ask a question at the AGM?

The chairman of the AGM will announce when you will have an opportunity to ask questions. If you wish to ask a question please tell an usher on entry to the auditorium.

Please endeavour to keep your questions short.

It is planned that certain members of the Board and senior executives of the Company will make themselves available to shareholders after the AGM.

Do you have help for shareholders with special needs?

If you are in a wheelchair or in need of help from a companion, please let us know at registration so that we can assist you.

How can I vote at the AGM?

Your form of proxy includes a poll card; please bring this with you if you intend to attend and vote in person at the AGM. Poll cards will also be available at registration. After opening the AGM, the chairman will put all the Resolutions to the AGM and poll boxes will be available for you to deposit your completed card. Please remember to sign it.

The poll will close ten minutes after the AGM ends.

How are the votes counted?

Voting on all Resolutions is by a poll. In a Company such as ours, we think poll voting is the fairest approach. There will be no voting by a show of hands. On a poll, each member present in person or by authorised representative or by proxy, has a vote for every share of which he is the holder. Ordinary resolutions require the approval of a simple majority of the votes cast; special resolutions require three-quarters of the votes cast.

How can I find out the result of the vote?

It is expected that the total of the votes cast by shareholders 'for' or 'against' or 'withheld' on each Resolution will be published on www.igasplc.com by Wednesday 15 May 2019.
