9. to grant the Directors authority to allot shares in the capital of the Company; and
10. conditional upon Resolution 9 being passed, to grant the Directors the power to disapply the statutory pre-emption rights for certain shares in the capital of the Company.

Resolutions 1, 2, 6 and 7 are self-explanatory. Information on the other Resolutions is provided below. Resolutions 1 to 9 are ordinary resolutions which require to be passed the approval of a simple majority of Shareholders present and voting in person or by proxy or authorised representative. On a show of hands each Shareholder so present has one vote, but should a poll be demanded, each such Shareholder has one vote for each share held by him or her. Resolution 10 is a special resolution that requires to be passed with the approval of 75% of such Shareholders, determined in the same way as for the ordinary resolutions.

Resolution 3 – reappointment of John Blaymires as a Director

Mr Blaymires is liable to retire by rotation at the Annual General Meeting under the Articles, and offers himself for reappointment. Having carefully considered his reappointment, the Nomination Committee considers that his performance remains effective, particularly having regard to his responsibilities as Chief Operating Officer.

Mr Blaymires has been a director of the Company since 6 April 2010. Mr Blaymires has 30 years of international experience in the oil and gas industry gained with Hess Corporation and Shell International. Before joining the Company, Mr Blaymires was Director of Technology Development for Hess, based in Houston, where he helped develop a global engineering and geoscience technology group responsible for providing support across the E&P business, from deepwater to unconventional resources. Prior to that, Mr Blaymires was Technical Director for Hess' operations in West Africa, and subsequently South East Asia with responsibility for several major oil and gas developments. Mr Blaymires has a BSc and PhD in Mining Engineering from Leeds University.

Resolution 4 – reappointment of Stephen Bowler as a Director

Mr Bowler is liable to retire by rotation at the Annual General Meeting under the Articles, and offers himself for reappointment. Having carefully considered his reappointment, the Nomination Committee considers that his performance remains effective, particularly having regard to his responsibilities as Chief Financial Officer.

Mr Bowler joined the Company on 1 November 2011. Mr Bowler began his career at Touche Ross, now Deloitte, where he qualified as a chartered accountant, having spent time in both their audit and corporate finance divisions. In 1999, Mr Bowler joined ABN Amro Hoare Govett, now Jefferies Hoare Govett, where he acted as adviser and broker to a wide range of companies with a particular focus on E&P. Since Mr Bowler joined the Company, the IGas Group has, inter alia, successfully completed three acquisitions, two bond raisings and an equity issue.

Resolution 5 – reappointment of Robin Pinchbeck as a Director

Mr Pinchbeck is liable to retire by rotation at the Annual General Meeting under the Articles, and offers himself for reappointment. Having carefully considered his reappointment, the Nomination Committee considers that his performance remains effective, particularly having regard to his responsibilities as a Non-executive Director.

Mr Pinchbeck joined the Company on 11 July 2012 and has 40 years of international experience in the oil and gas sector, having held leadership positions in both oil and oil-services sectors with BP, Atlantic Power, PGS and most recently, with Petrofac Limited; where he founded and led the Operations Services division, and subsequently served as Group Director of Strategy. Mr Pinchbeck's past Non-executive positions include Sondex plc, SLR Consulting Ltd, Enquest plc and Sparrows Offshore Group Ltd. (where he was Chairman). He is currently a Non-Executive Director at Enteq Upstream plc, Seven Energy International Limited and Starn Energy Services Limited and is Chairman at PTS Consulting Limited.

Resolution 8 – authority to allot Ordinary Shares in connection with the acquisition of Dart

On 9 May 2014, the Company and Dart announced that their respective Boards had reached agreement on the terms of a recommended acquisition of Dart by the Company via an Australian court-sanctioned scheme of arrangement pursuant to Part 5.1 of the *Corporations Act 2001* (Cth) between Dart and the Scheme Shareholders in respect of all Scheme Shares (the “**Scheme**”) on a share exchange basis. Subject to the passing of this Resolution, the Scheme Shareholders will receive 0.08117 Ordinary Shares for each Scheme Share, and, in addition, certain options outstanding to acquire or subscribe for Dart shares will be replaced with options to acquire or subscribe for Ordinary Shares. The maximum aggregate number of Ordinary Shares to be issued, or over which options will be granted is 91,346,551 Ordinary Shares with an aggregate nominal value of £9,134,655.10 (the “**Maximum Nominal Value**”). Upon completion of the Scheme, the Scheme Shareholders will hold approximately 30.7% of the Enlarged Share Capital on a fully diluted basis.

The Scheme is subject to certain conditions to completion which includes the approval of this Resolution. It is therefore proposed that the Directors be authorised for the purposes of section 551 of the 2006 Act to allot and/or grant options to acquire new Ordinary Shares up to the Maximum Nominal Value provided that the authority will expire (unless previously revoked, varied or renewed) on 30 December 2014 and that the authority granted is in addition and without prejudice to any other authority under section 551 of the 2006 Act previously granted or in force on the date upon which this Resolution is passed. Assuming the passing of this Resolution, it is expected that the Directors will use their authority granted under this Resolution to allot and/or grant options to acquire or subscribe for such new Ordinary Shares on or around 22 September 2014. Further details of the Scheme are explained in the Scheme Booklet, which is expected to be available to view on the IGas website at www.igasplc.com on or about the date of publication of this document; the timing will be subject to Australian regulatory review and a precise date for the same was not available as at the date of this document going to press.

Resolution 9 – authority to allot shares

At the Annual General Meeting held on 8 August 2013, the Directors were authorised, in accordance with section 551 of the 2006 Act, to allot Ordinary Shares, grant rights to subscribe or to convert any security into Ordinary Shares up to an aggregate nominal amount of £6,333,688. This authority expires at the conclusion of this Annual General Meeting. It is therefore proposed to revoke the existing authority and replace it with a new authority, granted under section 551 of the 2006 Act, which will allow the Directors to allot Ordinary Shares and to grant rights to subscribe for or to convert any securities into Ordinary Shares up to an aggregate nominal amount of £9,922,085 representing approximately one third of the Enlarged Share Capital and a further aggregate nominal amount of £9,922,085 representing approximately a further third of such Enlarged Share Capital, which will be available only for rights issues and other pre-emptive issues of equity shares.

The proposal that the authority to allot Ordinary Shares shall extend to a further third of the issued share capital is in accordance with the guidelines issued by the Association of British Insurers (“ABI”) which confine the use of this amount to rights issues only. The Directors have no present intention of exercising this authority. However, if they do exercise the authority, the Directors intend to follow the emerging best practice as regards its use (including as regards Directors standing for re-election) as recommended by the ABI and the National Association of Pension Funds.

Assuming the passing of this Resolution, the new authority will expire 15 months from the date of the passing of this Resolution or until the conclusion of the next annual general meeting, if earlier, and will revoke all previous authorities to the extent that they have not already been utilised apart from other specific authorities taken in respect of outstanding warrants and options which will continue unaffected. The Directors have no present intention of issuing any share capital of the Company, but the passing of this Resolution will enable the Directors to take advantage of any opportunities which may arise.

Resolution 10 – disapplication of pre-emption rights

Section 561 of the 2006 Act contains pre-emption rights that require all equity shares which it is proposed to allot for cash to be offered to existing shareholders in proportion to existing shareholdings, unless a special resolution is passed to disapply such rights. Such rights do not apply to an issue otherwise than for cash, such as an issue in consideration of an acquisition. The Directors believe that these requirements are too restrictive and, it is proposed that, subject to the passing of Resolution 9, the Directors should be able to allot shares amounting to no more than an aggregate nominal amount of £2,976,625 representing approximately 10% of the Enlarged Share Capital immediately after the passing of Resolution 9 otherwise than on a pre-emptive basis.

In addition, it is customary to disapply the statutory pre-emption rights altogether, and substitute similar non-statutory provisions because, for technical reasons, the statutory rights are difficult to apply in certain circumstances. The proposed Resolution therefore provides that all allotments for cash in excess of the 10% limit, must be in the form of rights issues, open offers or other pre-emptive issues except for the one third of the existing issued share capital reserved only for rights issues in accordance with the previous Resolution, and free of the statutory constraints.

The broadening of the proposed Resolution to include pre-emptive issues other than rights issues is a departure from the strict wording of the ABI guidelines which is limited to rights issues, which the Directors regard as too restrictive, especially as AIM companies normally make open offers and not rights issues. The above departures in Resolutions 9 and 10 from the strict wording of the ABI guidelines should not be taken to indicate that they are being disregarded, but rather that the proposed Resolutions are designed to provide greater flexibility for the Directors to determine the form of any future pre-emptive issues in the light of market conditions and practice, at the time such an issue may be proposed. It should also be noted that this year the Directors are seeking an authority for offers for cash on and other than pre-emptive basis at a 10% level rather than the 15% levels which were sought and approved in prior years.

Action to be Taken

A Form of Proxy for use at the Annual General Meeting is enclosed. If you are a Shareholder you are advised to complete and return the form in accordance with the instructions printed on it so as to arrive at the Company’s registrars, Computershare Investor Services plc, The Pavilions, Bridgwater Road, Bristol BS99 6ZY, as soon as possible, but in any event no later than 10.30 a.m. on Thursday 28 August 2014. Alternatively, you may cast your proxy online by following the instructions printed on the form; such electronic appointment must also be made no later than 10.30 a.m. on Thursday 28 August 2014.

The return of a Form of Proxy or the electronic appointment of a proxy does not preclude you from attending and voting at the Annual General Meeting if you so wish.

Recommendation

The Directors consider the Resolutions to be proposed at the Annual General Meeting to be in the best interests of the Company and its Shareholders. Accordingly, the Directors unanimously recommend Shareholders to vote in favour of all the Resolutions, as they intend to do in respect of their own holdings (where they control the voting rights) comprising 38,865,062 Ordinary Shares, representing approximately 18.84% of the issued share capital of the Company.
